ACORN '88
OAK HILL SCHOOL

Elmer, Louisiana

Volume 40

With the school year swiftly closing, we pause to catch a final glimpse of the happiness we have had. The sound of happy voices, the spirit of good sports, the molding of ideals and aspirations -- these blend into our school experiences.

With the sincere hope of bringing you a worthy token of these days at Oak Hill, the staff has given many hours of work. This yearbook is yours. You made it; we preserved it through word and picture.

A message to students:

We believe that in considering the totality of an education there are certain aspects of personality development and social interaction which fall outside the realm of academic curriculum.

We fully believe the yearbook and related activities provide just such opportunities outside of the curriculum for social interaction and personality growth.

The energy, enthusiasm, and concern evidenced by the members of our annual staff are welcome and beneficial to positive educational involvement of our students.

Thanks

GROWING SMILES

A smile is quite a funny thing,
It wrinkles up your face,
And when it's gone, you never find
Its secret hiding place.

But far more wonderful it is
To see what smiles can do;
You smile at one, he smiles at you,
And so one smile makes two.

He smiles at someone since you smiled,
and then that one smiles back;
And that one smiles, until in truth
You fail in keeping track.

Now since a smile can do great good
By cheering hearts of care,
Let's smile and smile, and not forget
That smiles go everywhere!

Mr. And Miss Oak Hill — Sonya Melder / Eric Dousay

Sonya

Eric

As Children . . . .

Words can not express how happy and proud we are of you for all your achievements. Your whole life has been a joy.

Thank you so much for being honest, dependable and obedient during all these years.

Always hang on to your high morals, trust in God and keep your sweet personality.

We wish you much success in everything you do. We know you will do your very best in all you do.

Remember we love you.

Mother and Daddy
Mr. and Mrs. Johnnie Melder

Many opportunities have been afforded Eric at Oak Hill, beginning in Kindergarten and continuing through Graduation with this honor. We are grateful and say a special "Thank You" to each involved.

The quickly passing years included Eric's early interest in NASA, while present day interests involve college in the fall to study engineering and computer science.

We are very proud of Eric. He has always shown interest in his family, had special dogs and projects at home, and helps, now, in the family business.

It is our prayer that Eric will always put God first.

"Eric, We love you, are proud of you and are thankful for you!"

In the beginning of Oak Hill School during the fall of the 1937-38 school year, a faculty of seven under the principalship of Mr. H. W. Gates began teaching 155 students from the seventh grade through the eleventh. As the year moved along and the work was completed on the building, teachers and grades were added. By the close of the school in May, a faculty of 13 was teaching grades one through 12.

The Superintendent of Rapides Parish Schools was Mr. H.M. Wells, and our School Board Member was Mr. C.B. Swift.

Available courses for the high school students were English, American History, World History, Civics, Science, Chemistry, Home Economics, Math, Algebra, Geometry, and Agriculture.

Extra-curricular activities included clubs, State Spelling Test and "BEE", and athletics. The clubs included FFA, FHA, and 4-H; at the same time, the athletics involved basketball, baseball, track and volleyball.

The Oak Hill mascot, the Ram, was chosen during this year along with the school newspaper, the Oak Leaves.

Oak Hill's first commencement exercises were held on May 27, 1938 on the front porch, which was beautifully decorated with flowers from many of the community gardens. The girls wore evening dresses that they had made, while the young men wore suits. Speakers had to speak with loud voices since they had no microphones.

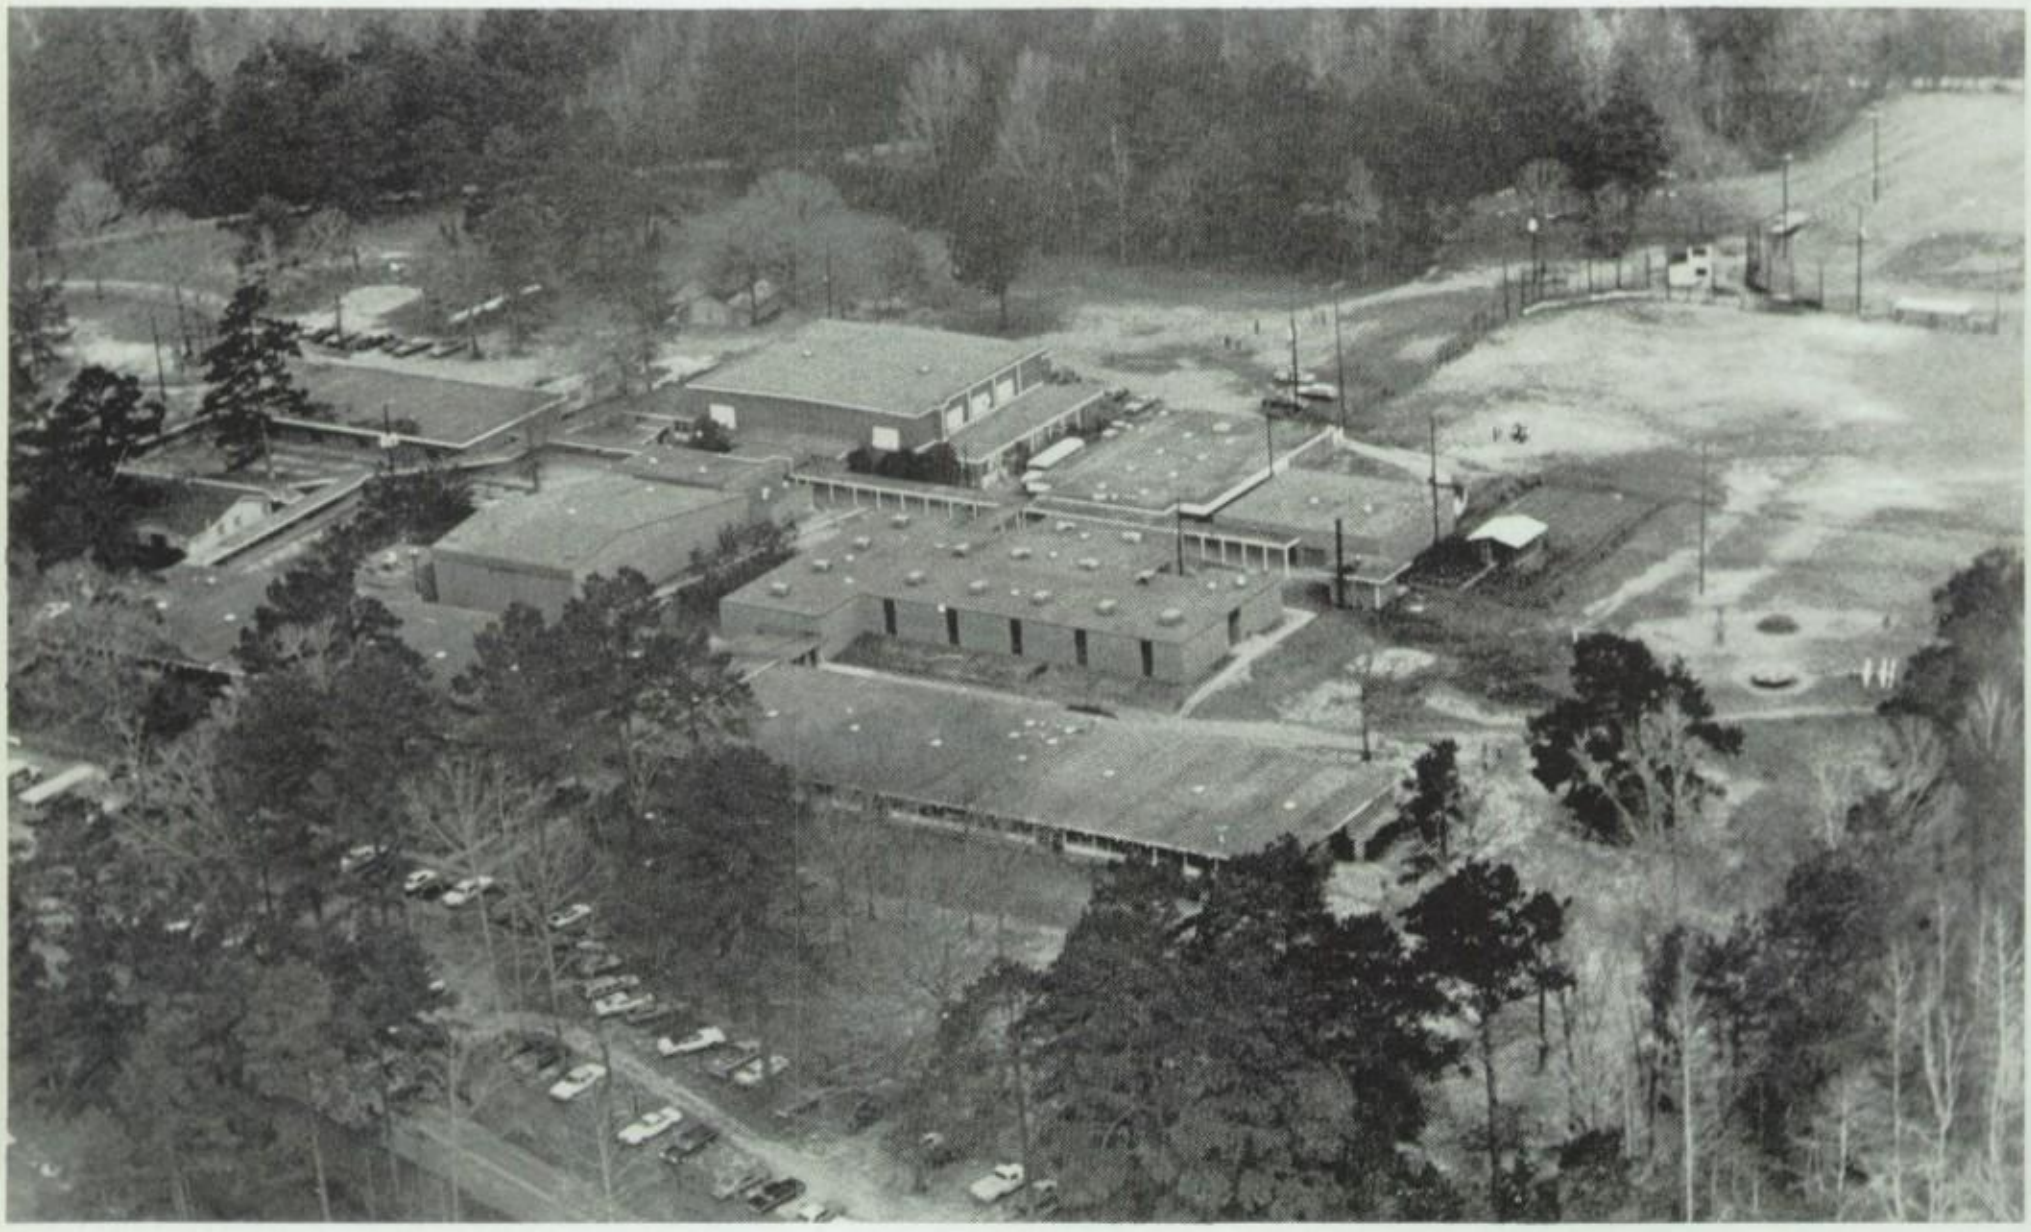
OAK HILL IN 1988



THROUGH THE YEARS AS THE COMMUNITY GREW WITH THE COMING OF NEW PEOPLE, SO DID THE FACULTY, THE STUDENT BODY, AND OTHER EXTRA-CURRICULAR ACTIVITIES AT OAK HILL.

TODAY, 1988, AND BY FAR FROM THE END OF GROWTH, THIS INSTITUTIONAL FAMILY CELEBRATES THE 50TH ANNIVERSARY OF THE FIRST GRADUATION CLASS AND HONORS ALL THE PAST GRADUATES OF OUR GREAT INSTITUTION.

"WHAT DOES THE FUTURE HOLD FOR THIS INSTITUTION?" THE FUTURE HOLDS EDUCATIONAL PROGRESS THAT IS BEYOND ALL LIMITS, AND CAN BE AS BRIGHT, AS BROAD, AND AS SUCCESSFUL AS THE TEACHERS, STUDENTS, PARENTS, AND COMMUNITY WILL MAKE IT.

A MEMORIAL
TO OUR LOVED ONES AND GRADUATES
OF OAK HILL WHO HAVE
PAST THROUGH THE GATEWAY TO
ETERNAL LIFE, we say ---

Death Is the Gateway to Eternal Life

Death is just another step along life's changing
way,
No more than just a gateway
to a new and better day,
And parting from our loved ones is much easier
to bear
When we know that they are waiting
for us to join them "There"---
For it is on the Wings of Death that the living
soul takes flight
Into the "Promised Land of God"
where there shall be "NO Night"---
So death is just a natural thing,
like the closing of a door,
As we start upon a journey
to a new and distant shore---
And none need make this journey undirected or
alone,
For God promised us safe passage
to this vast and great unknown---
So let your grief be softened and yielded not to
despair,
You have only placed your loved one
in the loving Father's care.
---Be not afraid, only believe.
Mark 5:36

A POEM TO WHOM IT MAY CONCERN:

Teach Him Gently . . . if you can . . .

My young son starts to school tomorrow . . . It's all going to be strange and new to him for a while, and I wish you would sort of treat him gently . . .

You see, up to now, he's been our little boy.

He's been boss of the back yard . . . His mother has always been around to repair his wounds, and I've always been handy to soothe his feelings.

But now, things are going to be different . . .

This morning he's going to walk down the front steps, wave his hand, and start out on the great adventure . . . It's an adventure that will probably include wars and tragedy and sorrow.

To live his life in the world he will live in requires faith and love and courage.

So, world, I wish you would sort of take him by his young hand and teach him the things he will have to know.
Teach him, but gently . . . if you can.

He will have to learn, I know, that all men are not just, that all men are not true.

But teach him also that for every scoundrel there is a hero . . . that for every selfish politician, there is a dedicated leader . . . Teach him that for every enemy, there is a friend.

It will take time, world, I know, but teach him, if you can, that a nickel earned is of far more value than a dollar found . . . Teach him to learn to lose . . . and to enjoy winning.

Steer him away from envy, if you can, and teach him the secret of quiet laughter.

Let him learn early that the bullies are the easiest people to lick . . . Teach him if you can, the wonder of books . . . But also give him quiet time to ponder the eternal mystery of birds in the sky, bees in the sun, and flowers on a green hillside.

In school, world, teach him it is far more honorable to fail than to cheat . . . Teach him to have faith in his own ideas, even if everyone tells him they are wrong . . . Teach him to be gentle with gentle people and tough with tough people.

Try to give my son the strength not to follow the crowd when everyone else is getting on the band wagon . . . Teach him to listen to all men . . . but teach him also to filter all he hears on a screen of truth and take only the good that comes through.

Teach him, if you can, how to laugh when he is sad Teach him there is no shame in fears . . . Teach him there can be glory in failure and despair in success.

Teach him to scoff at cynics and to beware of too much sweetness . . . Teach him to sell his brawn and brains to the highest bidders but never to put a price tag on his heart and soul.

Teach him to close his ears to a howling mob . . . and to stand and fight if he thinks he's right.

Treat him gently, world, but don't coddle him, because only the test of fire makes fine steel.

Let him have the courage to be impatient . . . let him have the patience to be brave.

Teach him always to have sublime faith in himself. Because then he will always have sublime faith in mankind.

This is a big order, world, but see what you can do . . . He's such a fine little fellow, my son!

Through all the work, play, and fighting that these senior annual staff members went through to create this yearbook, we always found time to share our thoughts and feelings with each other. I'm sure in the years to come we'll never forget each other nor the times we shared.

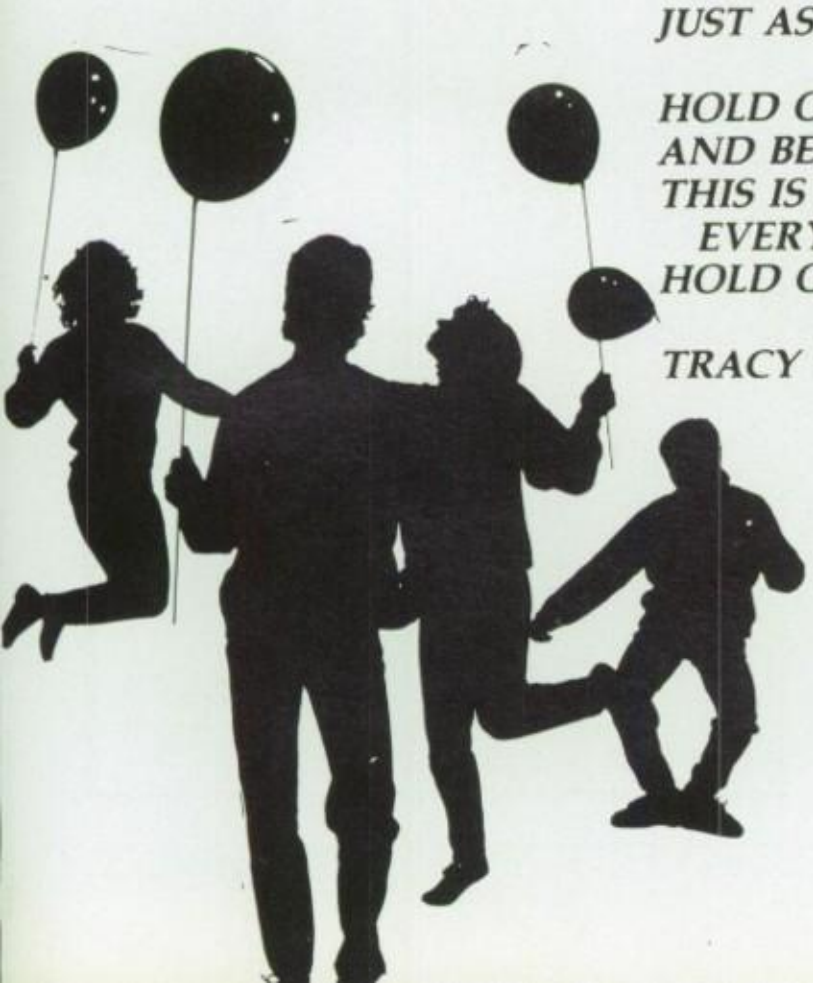
HOLD ONTO YOUR DREAM
NOT TOO TIGHTLY OR IT MIGHT BREAK.
NOT TOO LOOSELY OR IT MIGHT SLIP AWAY.
IF YOU DON'T HAVE A DREAM YET, BE PATIENT
YOUR DREAM WILL FIND YOU.

FOLLOW YOUR OWN STARS
IF WE WERE ALL MEANT TO WISH ON THE SAME ONE
KNOW THAT THERE WILL ALWAYS BE DREAMS
THAT ARE GRANDER AND HUMBLER THAN YOUR OWN.
BUT THERE WILL NEVER BE ANOTHER DREAM EXACTLY LIKE YOURS
FOR YOU ARE UNIQUE, AND MORE WONDROUS THAN YOU KNOW.

ALWAYS DO YOUR BEST
THERE ARE NO SHORTCUTS ON THE WAY TO A DREAM.
GIVE ALL THAT YOU HAVE TO ALL THAT YOU DO.
DON'T WORRY IF YOU MAKE A MISTAKE,
THE ONLY PEOPLE WHO NEVER FAIL ARE THOSE WHO NEVER TRY.
BUT NEITHER DO THEY EVER SUCCEED.

IF AT TIMES YOU FEEL DISCOURAGED LOOK TO YOUR STAR
IT WAS BORN TO SHINE BRIGHTLY THERE IN THE DARKNESS,
JUST AS YOU WERE BORN TO DREAM AND NEVER GIVE UP.



HOLD ONTO YOUR DREAM
AND BELIEVE IN YOURSELF.
THIS IS ALL YOUR DREAM ASKS OF YOU, BUT THIS IS EVERYTHING.
HOLD ONTO YOUR DREAM.
